Gatehouse Nursery
January 10th 1843

My Lord

As the planting season is now
at hand I hope your Lordship will pardon
the liberty I now take of soliciting your
attention to the List of Prices I forwarded
on the 8th Nov^r. Last. I would beg now
to say that in case there is any article on
that List that may be quoted above those
of any other reputable Nurseryman I will
be quite inclined to make a reduction. In
the List I mentioned that I would lay the
plants down at Gloucester Carriage Pairs
but I would now beg to state to your
Lordship that I will convey them to the
grounds to be planted free of expense in
Carriage

As the plants will be found of un-
-exceptionable quality I most earnestly
beg and hope to be favoured with your
Lordships early Orders.

My worthy Land Lord Mr. Murray
of Broughton has been so kind as to let me
know that he had particularly mentioned
me to your Lordship on a late occasion.

I have the honor to be with the
utmost respect

My Lord

Your Lordships most
obedient humble Servant

David Geddie
