Letter

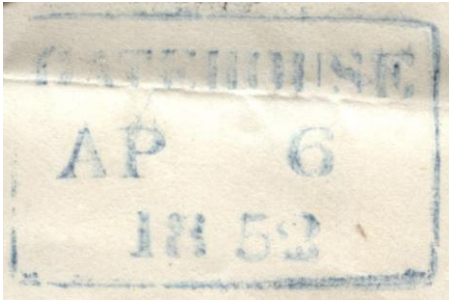

Cardross April 5th 1852

Gentlemen

Your letter of the 3rd
current respecting the enclosure
of land near Saugh-tee reached
me in course of post - & in reply
I can only repeat what I believe
I said in my last letter that I am
unacquainted with the circumstances
& must beg you to act for me in
the way you see best -

I am gentlemen

Yrs faithfully
G. Maxwell
