Players are encouraged to play their matches [at any time before the due date](#), although there is no penalty for not playing by the due date.

If matches can be played more often than one-a-week, competition can end before golf becomes an attractive alternative for some of us.

Games are first to 125 points, starting at each players' handicap. Highest handicap is currently 60.

Note - winners score will be capped at 125. Winner gets 3 points, loser gets 1 point. League matches are on a single game basis.

Semi-finalists decided on points in league table - then difference in total game points for and against.

Semi-final & final to be on a best-of-3 game basis.
