## 2019 Billiards Handicap Competition

### Rules

- 1 The aim is for the competition to be completed before the golfing season gets into full swing.
- 2 There are games scheduled at 7-day intervals to encourage games to be played regularly.
- 3 Games can be played any time before the due date but players are asked to **try not to fall behind on the schedule.**
- 4 No penalty for not playing games before the due date, but **all league games should be played by 21st April.**
- 5 The first round of games are due to be played by Sunday 7th February and games can start anytime before then.
- 6 There are 12 of us and everyone will play everyone else so there are 6 matches scheduled for each of eleven 7-day periods ending by 21st April.
- 7 Each game starts with players at their handicap levels. The first player to reach 125 points wins.
- 8 3 points for a win, 1 for a loss.
- 9 All league matches are on a single-game basis. The top 4 in the league will take part in semi-finals, 1st playing 4th and 2nd playing 3rd. The semis and finals will be played on a best-of-3 game basis.
- 10 If 2 players have the same league table points then the player with highest difference between points scored and point conceded will have the highest league position for the purpose of arranging semi-finals.

Good luck and enjoy your billiards
