

Gatehouse of Fleet Snooker Club

Rules

1. Members are required to respect the facilities and equipment of the Gatehouse of Fleet Snooker Club (cues, rests, balls and chalk are provided), and, as tenants of the Gatehouse of Fleet Community Centre, to show consideration to other users of the Community Centre during Snooker sessions. The tenancy of the Snooker Club in the Community Centre is governed by a formal agreement; this includes access and use by Snooker Club users of the Community Centre toilets and the kitchen.
2. Membership will be open to all. Membership fees will be payable in advance, set for each year at the AGM of the Club, and applicable from 1st January following the AGM. Fees with effect from January 2019 will be as follows:
 - Full membership : £50 p.a.
 - Junior membership (Over 14, under 18) : £25 p.a. Junior members must be accompanied by at least one adult member when using the Club's facilities.
 - Monthly temporary membership restricted to adults of 18 or over: £5 monthly payable in advance, and limited to a maximum of 3 months in any one year.
 - Full members may be accompanied by guests on a limited number of occasions, with the member taking full responsibility for the conduct of his or her guests.
3. Smoking is strictly prohibited in the Snooker room and in the Community Centre as a whole.
4. Foodstuffs may not be brought into, or consumed in, the Snooker room. Drinks may be brought into and consumed in the Snooker room but may not in any circumstances be sold to members or visitors. Where alcoholic drinks are consumed this must be done in moderation. Drunken behaviour will not be tolerated. Drinking glasses must not be placed on the snooker table or on the surrounding frame; there is ample shelf space for this purpose. Alcoholic drink must be removed from the Snooker room at the end of each session and any drinking glasses or containers should be washed and dried in the kitchen before storing in the Snooker room.
5. The Snooker room must be left in a clean and tidy condition at the end of each session, with any debris or rubbish placed in the bin provided.
6. An online booking system will continue to be provided by the Club. No bookings will be accepted for more than 2 weeks ahead. Bookings may be restricted at times when the Snooker room is required for other agreed Community Centre activities; where this occurs, the Community Centre will give adequate notice.
7. Access to the Snooker room will be by means of a coded digital lock; the code will be changed from time to time by a member of the Committee. **Members must ensure that the entrance door is secured as they leave at the end of each session and will need to familiarise themselves and abide by the arrangements and rules laid down by the Community Centre for access to the main building. Any defects to**

the Club's facilities should to be reported immediately to a member of the Committee so that remedial action can be taken quickly.

8. The heating system in the Snooker room is operated by a remote control, in common with the rest of the Community Centre. The Snooker Club is responsible by separate meter for its own electricity usage, so normal economy should be exercised and **heating and lights must be turned off when leaving.**
9. The overhead lighting for the table is controlled through a coin-operated switch: £1 and 20p. coins are accepted. The box containing coins will be cleared frequently.
10. Failure to abide by the Club's rules may result in expulsion from the Club.
11. These rules will be maintained by the Committee

8th January 2019
