

Georgina Stafford visits Lochlyoch

In 2003 a lady called Georgina Stafford visited Brian & Janet Jones at Lochlyoch.

Georgina lived in London, but had spent happy holidays staying at Lochlyoch when she was younger.

After the visit Georgina sent a number of photographs which were probably taken in the 1920s.

Georgina's mother was known as Margaret A R Stafford (née Muir), who was a cousin of Bessie McCutcheon. Bessie lived at Lochlyoch. Her daughter-in-law Mary Margaret McCutcheon had a son Derek McCutcheon. These 5 people are the subjects in the photos which follow.
